Sir:

David P. Dumas, having a mailing address of 7572 Mona Lane, San Diego, CA 92130, hereby declares that he is the owner of the entire right, title and interest in and to U.S. Application Serial No. 10/630,628.

David P. Dumas hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application that would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154-156 & 173, as presently shortened by any terminal disclaimer, of U.S. Patent No. 6,911,339.

David P. Dumas hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154-156 & 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

To the best of the undersigned's knowledge and belief, all right, title and interest in the above-identified patent application resides with David P. Dumas.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
